Do's and Don'ts

DO ✓ Create a segregation for season 2 ✓ Use the exact 6-column format shown above, in the same order. ✓ Double-check every UID and IGN before submitting. ✓ Confirm all players are current students of your own campus. ✓ Set sheet sharing to “Anyone with the link - Viewer” before pasting the link.	DON'T ✗ Don't continue adding details without segregation of season 2 ✗ Don't leave any column blank or reorder the columns. ✗ Don't include players from other colleges. ✗ Don't submit duplicate or fake UIDs/IGNs. ✗ Don't restrict sheet access – unreachable links will be rejected.
