

BGMI CAMPUS MUP PROGRAM (SEASON 2)

Task 1 – TDM / WOW Battleground: Submission Guidelines

Objective: Conduct **30 TDM / WOW (4v4 or any format involving more than 8 players) Matches** with minimum 8 players + 1 spectator from your Verified Cohort and submit match proof on the dashboard through the **submission schedule** below.

A **designated spectator** must be present during every match to track the overall match statistics (Screenshot required). The spectator should remain in spectator mode throughout the match and must not participate as a player.

Best Player Nomination Form is given in the Dashboard. MUPs are required to nominate the best-performing player from their **Verified Cohort** through the Best Player Nomination Form (Per Season). **Best Player Nomination Form** will close on 03 October, 2026 11:59 PM.

What You Need to Submit

Task 1 requires **30 TDM / WOW Matches in total (30RP Per verified match)**, with **15 matches set to be completed within the deadlines** given below.

For every match, keep one designated spectator with your squad to track the overall match statistics. The spectator will not count as one of the participating players and should remain in spectator mode throughout the match. WOW must be played in 4v4 format or any format involving more than 8 players.

Each submission must contain **3 screenshots per match** – Lobby, End of Match Result, and Squad Stats.

Submission	Matches	Screenshots	Submission Deadline
Week 1 + Week 2	15 Matches	30 Screenshots	19 September 2026, 11:59 PM
Week 3 + Week 4	15 Matches	30 Screenshots	03 October 2026, 11:59 PM
Total	30 Matches	60 Screenshots	

If you play more than the required 30 matches, RP will only convert into XP after you have reached a cap of 6,000 RP in Season 2.

How to Organize Your Submission

Label each match clearly and stack its 3 screenshots together, in order, before moving to the next match. Compile the proofs into PDF and upload the same to a Google drive link. Set the drive links sharing to “Anyone with the link – Viewer” before submitting the link.
