

## BGMI CAMPUS MUP PROGRAM (SEASON 2)

### Task 2 – Capture the Clutch: Submission Guidelines

**Objective:** Create 2 original BGMI gameplay reels, get them approved by your assigned POC, publish them on Instagram, and submit the published links on the dashboard.

**Reel Reference Pack:** A few sample reels are available here- [\[REFERENCE LINK\]](#). Treat them as inspiration, not a format to copy. You're free to bring your own creative approach, provided the submission guidelines below are met.

#### What You Need to Submit (Mandatory Task Submission)

MUPs must submit a minimum of **2 POC-approved, published Instagram Reels** under Task 2. The first 2 Reels are mandatory, while the remaining Reels will be considered for bonus points. Submit only the published Instagram Reel links; video files, draft files, screenshots, or screen recordings will not be accepted.

#### Submission Process

- Step 1** – Create your BGMI gameplay reel.
- Step 2** – Send the reel draft to your assigned POC for review.
- Step 3** – Wait for approval. Do not publish before your POC approves the draft.
- Step 4** – Once approved, publish the reel on Instagram from a public account.
- Step 5** – Copy the published reel link and attach it to the Task 2 submission on the dashboard.
- Step 6** – Repeat for the next reel. All the links must be submitted before the deadline.

#### Reel Requirements

- Content must be original BGMI gameplay or content created by the Campus MUP.
- Every Reel must include #KRAFTONIndia, #BGMI & #BGMICampusMUP.
- The official BGMI account must be tagged.
- The Instagram account must remain public and accessible for verification.
