

BGMI CAMPUS MUP PROGRAM (SEASON 2)

Task 3 – Offline Activation: Submission Guidelines

Objective: Conduct BGMI offline activations at relevant college hotspots and engage students through interactive activities.

MUPs are required to conduct 2 offline activations during Season 2. The first two activations are mandatory; once these are completed, you can earn bonus RP through additional activations.

What You Need to Submit (For Each Offline Activation)

For every offline activation, submit **more than 5 high-quality photos and videos** via Google Drive through the dashboard.

The submitted content should clearly capture:

- The offline activation and activities
- Student participation and engagement
- The college environment
- BGMI branding and elements used during the activation

Ensure that all Google Drive links are set to **“Anyone with the link – Viewer”** so the team can access the content for verification.

Submission Process

Step 1 – Conduct the offline activation at a relevant college hotspot and include BGMI elements such as posters, projector/screen visuals, activity creatives, signage, or other relevant BGMI elements.

Step 2 – Capture more than 5 high-quality videos and images from the activation.

Step 3 – Upload the videos to Google Drive, set the link to **“Anyone with the link – Viewer,”** and submit the Drive link(s) along with the images on the dashboard.

Step 4 – After submitting your first activation link, you will get the option to submit a second activation link under the same Task 3.

Step 5 – After 2 submissions, you can submit more which will be considered in bonus.

Activation Requirements

- The activation must be conducted inside the MUP’s college campus.
- The activation should be done at a relevant college hotspot (Canteen, Lawns, Classrooms, etc).
- BGMI elements must be clearly visible, open to MUP’s creativity (Posters, Projector, Installations, etc.).
- Students must take part in the activity.
- Each activation must be a separate activity.
- Only official and approved BGMI assets should be used.

Submission Requirements

- Minimum **5 videos and Photos per activation**
- Maximum **1 Google Drive link per activation**
- Drive links must be set to **“Anyone with the link – Viewer”**
- The same Drive link cannot be submitted again
- The same images or videos cannot be used for both activations

Do's and Don'ts

DO	DON'T
✓ Choose a relevant college hotspot. ✓ Capture clear videos of the activity and student participation. ✓ Capture clear images of the setup, BGMI elements, and campus. ✓ Check that your Drive link is open to "Anyone with the link – Viewer." ✓ Submit fresh photos and videos for each activation.	✗ Don't submit the same Drive link twice. ✗ Don't reuse photos or videos from the first activation. ✗ Don't submit private or restricted Drive links. ✗ Don't submit only setup photos without showing students participating. ✗ Don't submit fake or misleading evidence.

Scoring

- Earn 900 RP for each approved offline activation.
- The first 2 activations are mandatory.
- Any activations after the first 2 are optional and can earn an additional **400 RP** per activation as bonus RP.

Deadline

Task 3 closes 3 October 2026, 11:59 PM.

Both activations, if attempted, must be completed and submitted before the deadline. Late submissions will not be accepted.
