SEASON 3 RP CAP	**10,500 RP**

08 | SEASON OPENING – RP DEDUCTION

Every Campus MVP begins Season 3 with their final verified Season 2 RP after a **20% deduction**. Season 2 rewards were calculated on the final verified RP *before* the deduction was applied.

Season 3 Opening RP = Final Season 2 RP × 80%

For example, a Campus MVP who finished Season 2 at Crown (6,000 RP) will begin Season 3 with 4,800 RP.

09 | SEASON CLOSURE

Season 3 is the final Season of the BGMI Campus MVP Program, so no RP or XP carries forward after it closes. Final standings and rewards are calculated on each MVP's final verified RP at the close of Season 3 on **25 November 2026, 11:59 PM**.
