BGMI CAMPUS MVP PROGRAM (SEASON 3)

Task 2 – Custom Classic Matches

Objective: Play 10 Custom Classic Matches in Week 1&2 and another 10 in Week 3&4 (20 matches total) with your Verified Cohort. Any map is allowed. Submit match proof on the dashboard for both periods.

Match Rules

Matches	Minimum 10 Custom Classic Matches per period (20 matches total across Weeks 1–4)
Map	Any Classic map
Players per match	Minimum 11 players from your Verified Cohort
Spectator	Mandatory: 1 spectator in every match
Room settings	Your choice (Advance Room Cards provided)
Proof per match	Lobby, Squad Stats and End of Match Result screenshots
Format	One PDF on a Drive, "Anyone with the link – Viewer"

Spectator is mandatory: every match must have 1 spectator in the room, in addition to the 11 Cohort players. The **Squad Stats** screenshot can only be taken from the spectator view.

Room settings: Advance Room Cards have been provided to you, so you can adjust the match settings as you like. There are **no mandatory settings**.

What You Need to Submit (Mandatory Task Submission)

Submit separate Drive links for each period, with a PDF containing proof of all 10 matches (3 screenshots per match, 30 screenshots total).

Weeks 1–2: 10 matches, submitted via a separate Drive link.

Weeks 3–4: Another 10 matches, submitted via a different Drive link.

Save proof of any additional matches in a separate folder named "Booster" within the respective Drive.

Submission Process

Step 1: Create a Custom Classic room with your Advance Room Card (any map, any settings). Get at least **11 Verified Cohort players** and **1 spectator** in.

Step 2: Take the **Lobby** screenshot before the match starts, with all Cohort players visible.

Step 3: The spectator takes the **Squad Stats** screenshot. After the match, take the **End of Match Result** screenshot.

Step 4: Repeat for all 10 matches.

Step 5: Compile all screenshots into **one PDF**, upload it to Google Drive and set access to "Anyone with the link – Viewer."

Step 6: Submit the Drive link under Task 2 on the dashboard.

Screenshot Requirements

- Player IGNs must be clearly visible.
- Screenshots must be clear, unedited and readable.
- The lobby screenshot must show all Cohort players counted for that match.

How to Organise Your PDF

Arrange the screenshots match by match, in this order:

Order	Match	Screenshot (full width, one below the other)
1	Match 1	Lobby
2		Squad Stats
3		End of Match Result
...		
28	Match 10	Lobby
29		Squad Stats
30		End of Match Result

Best Player Nomination

Nominate the **Best Player from your Verified Cohort** through the Best Player Nomination tab available on the dashboard.

Scoring

Scoring	RP
Verified match (11 Cohort players)	**100 RP**
Each extra Cohort player in a match	**+25 RP**
Example: match with 15 Cohort players	**100 + (4 × 25) = 200 RP**

Do's and Don'ts

DO

- ✓ Add 1 spectator to every match for the Squad Stats screenshot.
- ✓ Take the lobby screenshot before the match starts, with all Cohort players visible.
- ✓ Make sure every player's IGN is clearly readable.
- ✓ Keep screenshots in match order: Lobby, Squad Stats, End of Match Result.
- ✓ Compile all 10 matches into one PDF.
- ✓ Set the Drive link to "Anyone with the link – Viewer" before submitting.
- ✓ Nominate your Best Player through the Best Player Nomination Form.

DON'T

- ✗ Don't play with fewer than 11 Verified Cohort players, it may result in RP deduction.
- ✗ Don't start a match without a spectator in the room.
- ✗ Don't include players outside your Verified Cohort in the count.
- ✗ Don't crop, edit or blur any screenshot.
- ✗ Don't reuse screenshots from earlier matches or Seasons.
- ✗ Don't upload separate images. Submit one PDF link only.
- ✗ Don't submit Week 3 & 4 matches here. They go under Task 3.

Deadline

Task 2 (Weeks 1–2): 10 matches by 6 Nov 2026, 11:59 PM.

Task 3 (Weeks 3–4): Another 10 matches by 20 Nov 2026, 11:59 PM.

Submit separate Drive links for each task, with 30 screenshots per PDF (3 per match). Store additional match proofs in a "Booster" folder.
